

COMMUNITY-POWERED FOOD RESCUE

Turn surplus meals into second chances.

We connect verified donors, volunteers, and organizations to rescue safe food, reduce waste, and nourish communities with dignity and care.

Food delivered on time

OUR MISSION

We make every meal count.

FoodLink exists to close the gap between excess food and real hunger. By making the process safe, transparent, and simple, we help communities reduce waste while meeting urgent needs faster.

Reduce waste

Fresh food reaches those who need it before it expires.

Build trust

Verified donors and organizations collaborate with clarity and accountability.

Track impact

Every rescue is recorded, monitored, and reviewed for safe pickup.

PLATFORM FEATURES

Everything you need for safe, smart food rescue.

Verified Access

Only trusted donors and organizations can participate, creating a safe environment for sharing.

Food Safety Checks

Every donation includes preparation, storage, expiry, and pickup details to reduce risk.

Live Tracking

Monitor each food rescue from listing to pickup, so nothing gets lost or overlooked.

Zero Waste Ecosystem

We help turn surplus meals into impact, reducing landfill waste and feeding communities.

Only trusted donors and organizations can participate, creating a safe environment for sharing.

Every donation includes preparation, storage, expiry, and pickup details to reduce risk.

Monitor each food rescue from listing to pickup, so nothing gets lost or overlooked.

We help turn surplus meals into impact, reducing landfill waste and feeding communities.

HOW IT WORKS

Rescue food in three simple steps.

01

List a donation

Donors add food details, quantities, storage, and deadlines in just a few steps.

02

Review and claim

Verified organizations browse available food and confirm a claim when it matches their needs.

03

Pickup and impact

Food is safely collected, tracked, and delivered to families, shelters, and communities.

ABOUT US

We're building a better food system for everyone.

ABOUT US

We're building a better food system for everyone.

FoodLink was created to help communities reduce food waste and support vulnerable people through a transparent, dependable digital rescue system. We believe every meal has value and every neighborhood can become more resilient when people work together.

- ✓ Community-first and impact-driven
- ✓ Built around safety, trust, and accountability
- ✓ Made for donors, NGOs, and local volunteers

IMPACT

Helping communities thrive every day.

VOICES

Trusted by people who care.

"FoodLink helped our kitchen redirect food that would have gone to waste and serve it to families the same day."

Riya N.

Community donor

"The safety checks and live tracking gave our team confidence while handling food distribution at scale."

Arjun K.

NGO coordinator

BE PART OF THE CHANGE

Bring food safety, compassion,
and impact together.
